

TROJAN TALK

**Together as a community, we share responsibility
to provide a quality education for each child.**

WHAT IS RTI?

During the school year, you may hear your child talking about RTI, which stands for Response To Intervention. This is a program to help insure success for all students. Students who are struggling will receive extra help. This extra help could be during class time with his regular teacher. It could be a special time when he goes to another teacher for help. It is our goal for every child to succeed in all of his classes.

FAIR DAY

Fri., Oct. 7 is our Fair Day holiday. Students will not come to school.

Grandparents Day is Fri., Nov. 4 at 1:00. Please let everyone know in advance.

PARENT-TEACHER CONFERENCES

Parent-Teacher Conferences are **Fri., Oct. 21**. Please plan to meet with your child's teacher on this day to discuss his progress. If you cannot attend on this day, the conference can be scheduled at another time.

COOKIE DOUGH PICK-UP

Thanks to everyone who worked to make the Cookie Dough Sale a success. The approximate profit is \$8,460. Whether you bought cookie dough or helped your child sell it, this will benefit the school. We plan to use the money for landscaping around the new buildings, classroom furniture, and technology items for the students to use. **The cookie dough will arrive at school on Tue., Oct. 11.** Please make arrangements to pick it up that day.

SCHOOL SAFETY

EBE has a Safe Schools Plan to cover emergency situations. They are as follows:

- Bad Weather—Students remain in classrooms with teachers
- Fire or bomb threat—Evacuate building to safe area
- Intruder on Campus—School is locked down. Students remain in class with teacher.

It is important that parents do not come onto the school grounds or try to phone the school. In an emergency, we will be focused on our students. As soon as students are safe and the school is secured, parents will be notified by phone through School Reach as needed.
